

vProtect XLM

Standard maintenance contract

A proactive approach to machine maintenance prevents unplanned downtime and ensures your machine is available and operational when you need it! It provides you cost control and maximizes the service lifetime of your machines. This is where Aebi Schmidt can help. With the vProtect XLM contract we take care of the required preventive maintenance, so you can focus on your core business.

Highlights

- **Covers all maintenance intervals** according to Aebi Schmidt specifications and technical standards
- **Service plan tailored** to the machine usage
- Includes a **thorough assessment** of the status of the machine and all its components
- If the service technicians notice more defects, you will get an **individual replacement offer**
- **Includes all necessary parts** for maintenance and labour

Your benefits

- **Higher reliability and machine uptime**, which results in cost savings and greater efficiency
- Optimally maintained machines, which **maximizes the lifetime and residual value** of your machines
- **Budget security**. Costs become transparent and predictable and the costs of downtime and repairs are avoided
- **Expert advice** on machine operation and servicing

Our service options

From our standard maintenance contract to the all-inclusive package, you can select the service which is right for you. Maximise your uptime with a sound maintenance plan and opt for an Aebi Schmidt maintenance contract. In addition, we offer the option to extend the vProtect XLM contract with useful additional services such as extended warranty.

vProtect XLM:

For maximum operating performance

Our professional service technicians perform maintenance work at scheduled intervals using official Aebi Schmidt checklists and original parts. They detect and resolve potential problems before they become real problems.

vProtect XLR:

For optimal budget security

Extend your warranty against expensive, unforeseen repairs. Choose the cover that fits your needs. You can select an extension to the statutory warranty by 12 or 24 months.

vProtect 365

For total peace of mind

Our vProtect 365 all-in package is designed to give you peace of mind and full cost control. This package covers customized services specific to your machine and fleet.
