

# vProtect XLR

## Extended Warranty

Protect your machines from unexpected repair costs and opt for a vProtect XLR contract. It provides extended warranty to protect your machines and maximises operational reliability with absolute cost certainty. Concentrate on your core business and leave the repair work to our professional Aebi Schmidt service technicians.

### Highlights

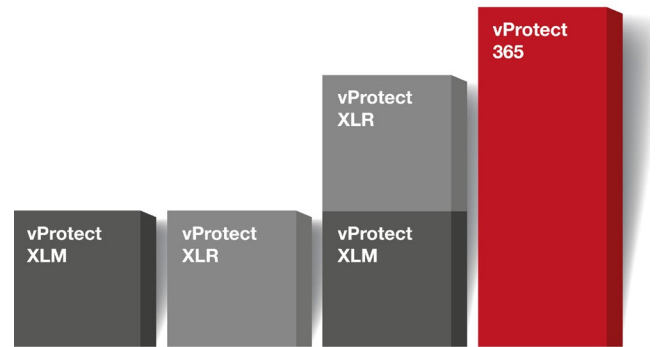

- **Coverage options of additional 12 or 24 months** so you can find the one that suits your needs
- **On-call breakdown repair service** (incl. necessary parts and labour)
- Using only Aebi Schmidt **professional service technicians** and **genuine spare parts**
- Selectable **option with fixed prices** when purchasing a new machine

### Your benefits

- **Budget security.** Protection from unexpected repair costs even after the statutory warranty has expired
- **Higher machine uptime**, which results in cost savings and greater efficiency
- **Maximising the lifetime** and **preserving the value** of your machine
- **Expert advice** on machine operation and servicing

## Our service options

From our standard maintenance contract to the all-inclusive package, you can select the service which is right for you. Take advantage of fixed service costs and choose for the Aebi Schmidt extended warranty contract. In addition, we offer the option to extend the vProtect XLR contract with useful additional services such as a maintenance plan.

### vProtect XLM:

#### For maximum operating performance

Our professional service technicians perform maintenance work at scheduled intervals using official Aebi Schmidt checklists and original parts. They detect and resolve potential problems before they become real problems.

### vProtect XLR:

#### For optimal budget security

Extend your warranty against expensive, unforeseen repairs. Choose the cover that fits your needs. You can select an extension to the statutory warranty by 12 or 24 months.

### vProtect 365

#### For total peace of mind

Our vProtect 365 all-in package is designed to give you peace of mind and full cost control. This package covers customized services specific to your machine and fleet.
