25-650 Kielce

Price: **On request**

The towed MSH trailer sweepers are extremely agile and easy to use machines that can work effectively even in tight spaces, while the very low noise level makes them ideal partners in residential and urban areas. The design boasts a robust construction that has been tried and tested over many years, enabling low operating costs and a long service life. The MSH is available in two sizes - 0.7m³ and 1.5m³.
